

## Financial Aid

For questions about financial aid, please visit the George Mason University Financial Aid website at <http://financialaid.gmu.edu> or contact your advisor identified in the table below.

To qualify for financial aid, you must be a half time student registered for at least 6 credit hours. Students in the IET program qualify for aid during the Fall and Spring semesters but do not qualify for aid during the Summer. If you need a loan to cover your Summer tuition, you should apply for extra aid during the Fall and Spring semesters to cover your Summer tuition expenses.

To apply for financial aid please visit <http://www.fafsa.ed.gov/>. After you receive your award letter, you are required to complete the Stafford loan entrance counseling session if you are a first time borrower. The U.S. Department of Education requires all Federal Grad PLUS Loan recipients to complete an entrance counseling session prior to the disbursement of their loan funds. Please print a copy of the results for your records. Your loan awards can be viewed in the Financial Aid section of George Mason's Patriot Web.
