

# Be the Change

“I wanted to learn new ways to improve my teaching career. Working with my team and IET faculty, I learned and discovered more than I ever thought I would.”

*Melissa Dennehy  
IET Class of 2008*

Initiatives in  
Educational Transformation

# Be the Change<sup>®</sup>

## IET Master's Degree Program Highlights

- Experience curriculum built around your teaching and classroom concerns.
- Teach with passion while meeting standards.
- Innovate, investigate, imagine, and include.
- Educate children for a global 21st century.
- Transform your school as an authentic leader.

### Convenience

Cohorts will meet for two weeks in the summer of 2010 and 2011, one week in the summer of 2012, and eight Saturdays during each school year. You will graduate with a Master's in Teaching in Summer 2012.

### Collaboration

IET students work in teams that provide collegial support and build learning communities.

### Campus Locations

Choose a location that works for you:  
Mason's Arlington or Prince William Campus.
