Special Education Content Standard #6: Language

Special educators understand **typical and atypical language development** and the ways in which exceptional conditions can interact with an individual's experience with and use of language. Special educators use individualized strategies to **enhance language development** and **teach communication skills** to individuals with ELN. Special educators are familiar with **augmentative, alternative, and assistive technologies** to support and enhance communication of individuals with exceptional needs. Special educators match their communication methods to an individual's language proficiency and cultural and linguistic differences. Special educators provide **effective language models** and they use communication strategies and resources to **facilitate understanding of subject matter for individuals with ELN whose primary language is not English.**

Beginning special educators demonstrate their mastery of language for and with individuals with ELN through the mastery of the CEC Common Core Knowledge and Skills, as well as through the appropriate CEC Specialty Area(s) Knowledge and Skills for which the preparation program is preparing candidates.
