LEARNER OUTCOMES

At the end of this course, students will be able to:

1. Analyze the factors, perspectives, and entities that influence educational change and reform (ASTL Learning Outcomes 5 and 7) (IB Adv Cert domains 1.1; 1.2; 1.3);
2. Examine their local context related to access and equity, as well as their own role as a change agent within that context (ASTL Learning Outcomes 4, 6, and 7) (IB Adv Cert domains 2.1; 2.2; 2.4);
3. Surface and examine their personal experiences with educational change and reform (ASTL Learning Outcomes 4 and 7) (IB Adv Cert domains 1.1; 1.2; 1.3);
4. Plan for improvement/change in their local context (ASTL Learning Outcomes 7 and 8) (IB Adv Cert domains 3.1; 3.2; 3.3; 3.4).

RELATIONSHIP TO PROFESSIONAL STANDARDS

EDUC 615 is one of the five courses in the 12-credit, yearlong ASTL CORE. EDUC 615 is also aligned with the National Board for Professional Teaching Standards' (NBPTS) five core propositions, which provide the guiding principles for *what teachers should know and be able to do*. Specifically, EDUC is aligned with the following NBPTS propositions:

National Board for Professional Teaching Standards 4 – Teachers think systematically about their practice and learn from experience.

National Board for Professional Teaching Standards 5 – Teachers are members of learning communities.

EDUC 615 is aligned with the additional three principles that guide the ASTL Core:

- Principle 5: Teachers are members of learning communities.
- Principle 6: Teachers account for the needs of culturally, linguistically, and cognitively diverse learners;
- Principle 7: Teachers are change agents, teacher leaders, and partners with colleagues; and
- Principle 8: Teachers use technology to facilitate student learning and their own professional development.

The content of EDUC 615 additionally aligns with aspects of the International Baccalaureate (IB) Certificate in Teaching and Learning Research, with a particular focus on the following Domains of Knowledge:

- Domains 1.1, 1.2, 1.3: Contemporary issues in IB education – Identification, clarification, and articulation of contemporary issues in IB context; critical analysis of contemporary IB issues; Contextualising and interpretation of IB issues.
- Domains 2.1, 2.2, 2.3, 2.4: Research practice – Application of planning and scoping process in IB contexts; Collection, analysis, interpreting and reporting of evidence; Evaluation of research activity; Reflection on and dissemination of findings and implications for practice.
- Domains 3.2, 3.3, 3.4: Linking theory to practice in an IB context – Critical reading and reflection; Interpretation and evaluation of source material; Synthesizing research and experiential evidence.

COURSE REQUIREMENTS AND ASSIGNMENTS

Nature of Course Delivery

This course will be delivered in asynchronous and synchronous format using Blackboard 9.1 course management system on the MyMason portal. Course delivery will be through mini-lecture, structured collaborative reflective groups, and discussion forums based on topics aligned with national standards and program/learner outcomes.

The Blackboard course site will be open to students January 16, 2017. To access the course, go to the MyMason portal login page at <https://mymasonportal.gmu.edu/>. Your GMU email user name is also your MyMason Portal ID and your GMU email password is also your MyMason Portal password. After logging in, click on the COURSES tab at the top of the page to see your list of courses, then select EDUC 615.

General Requirements

- A. Please note that this online course is **not self-paced**. You will be expected to complete one learning module every week. It is critical for each student to complete all readings and activities on a weekly basis. Class ‘attendance’ is both important and **required**. If, due to an emergency, you will not be participating in course activities on time, you must contact your instructor prior to their due time. Learners with more than two ‘absences’ may drop a letter grade or lose course credit.
- B. All assignments are due no later than **11:59 PM EDT** of the date indicated in each week’s assignments published in the **COURSE SCHEDULE AND TOPICS** section of this Syllabus. Due dates are also posted on our Bb course site.
 - a. **Grades for assignments date-stamped in Blackboard after the due date will be reduced by 10%, unless prior approval from instructor has been granted. No late submissions will be accepted after the course end date.**
 - b. Assignments earning less than a passing grade may be rewritten and resubmitted so that the assignment is satisfactorily completed. In fact, because learning is the goal, I may *require* you to redo an assignment that is far below expectations.
- C. Please adhere to the assignment submission instructions listed in this Syllabus. Only assignments submitted as indicated will be graded; incorrect submissions will result in a grade of zero for those assignments.
 - a. All assignments submitted should have the filename format LASTNAME-ASSIGNMENT TITLE. Please do not upload written assignments in PDF format. Other editable formats are acceptable (i.e., .doc, .docx, .rtf, .ppt, .pptx, .xlsx, .xlsx). Supporting documents for assignments can be in PDF format.
- D. *All written work* should be carefully edited for standard grammar and punctuation, as well as clarity of thought. All submitted work should be prepared through word processing and reflect APA style (6th edition), as well as double-spaced, with 1” margins, and 12-point font (Times New Roman, Calibri, or Arial).

Instructor Role

- Although we will be monitoring online discussion forums, our participation within them will be limited as we want discussions to be authentic between members. Please note that during this time, we will be noting the quality and extent of your participation.

- In order to link your work with that of your peers and with the weekly topic, we will make weekly synthesis posts that capture the big ideas shared across discussions that week.

Student Expectations

- Students are expected to adhere to a 24-hour turnaround time for emails.
- Students are expected to visit our Blackboard site *at least three* times during the week: Once at the beginning of each week, once in the middle of the week, and then again at the end to read any new posts and replies. Please note that you can subscribe to forums/threads to be notified when new posts are added. See posted directions in Blackboard doing this.
- Students are expected to read all posted/emailed Course Announcements. These contain important information from your instructor. They will be emailed, and also will be available in the Course Announcements link in Blackboard.
- It is expected that you will monitor your participation and be able to complete all tasks on-time without reminder. Successful students in an online learning environment are proactive, self-regulated, and manage their time well. You should expect to spend 8-10 hours a week on work for this 2-credit course (including reading).

Course Assignments and Evaluation Criteria

<i>Course Outcome Alignment</i>	Assignment	<i>Points</i>
1, 3	Weekly Work (10 weeks, 4 points/week)	40
1	Critical Friend Group tasks	10
2, 4	Equity Study: Equity Audit, Policy Brief, and Action Plan (PBA)	45
	Reflection Point: EDUC 615	5
	Total	100

Weekly Work

This course operates with the assumption that knowledge is socially constructed and the most meaningful learning opportunities are those where you have the opportunity to offer and explore diverse perspectives with peers. To do this, you are expected to regularly contribute to discussion forums, as well as to genuinely ‘listen’ to peers as they do the same. Agreement is not mandatory; consideration and respect are. This means that you must be “present” throughout all discussions and activities. It is expected that you connect, question, and extend the discussion with all new posts by citing readings, weekly content, and your personal experiences. In addition to quality participation in discussion forums, each week will include tasks to be completed related to each week’s content. Attendance and participation in all scheduled Collaborate sessions is also included in Weekly Work. See the Weekly Work rubric in this syllabus for grading criteria- page 10.

Critical Friend Group tasks

There will be instances when you will be tasked with being a critical friend to a peer(s). This will entail aiding in such tasks as data analysis, brainstorming problems/solutions, and offering feedback. See the CFG rubric in this syllabus for grading criteria- page 14.

Equity Study: Equity Audit, Policy Brief, and Action Plan (EDUC 615 Performance Based Assessment)

Teacher leaders affect change within their sphere of influence. To do this, teacher leaders need to actively inform themselves about their local context and the opportunities and outcomes related to students within that context. To become an informed teacher leader, you will complete an audit of

your school. This audit will focus on indicators of equity for various groups of students in your school. After collecting and analyzing the audit data, you will pick one piece of the data that you find the most compelling. This data will be the foundation for a policy brief that synthesizes policy and literature related to the data selected. The policy brief will then be used to create a plan of action for changing something within your school (within your sphere of influence) that will lead to improvement in a related area. See the assignment details and rubric in this syllabus for further information.

PROMPT FOR ASTL PORTFOLIO REFLECTION POINT: EDUC 615

(to be completed at the end of the course- ASTL program requirement)

Teacher as Change Agent

In this reflection point, you will focus on how coursework, related readings, and experiences in EDUC 615 have led you to think about yourself as a change agent and teacher leader in your school and beyond. Please reflect on your own learning and your growth and change at this point in the Core. In your reflection, address the applicable eight program learning outcomes and the ways in which the performance assessments included in this course and in the Core provide evidence of your knowledge.

Suggested course products which may be provided as evidence of knowledge

- Equity Study: Equity Audit, Policy Brief, and Action Plan (EDUC 615)
- Written in-class or online responses (EDUC 615)
- Other, as selected by individual (be specific)

Guidelines and Suggested Format for each of the Reflection Points

Length: Aim to limit your response to two well written pages

Focus: Each Reflection Point should include a short description, but will focus on *interpretation* and *analysis* of learning by synthesizing knowledge attained from that learning component of the Core coursework.

Format: Each reflection point *describes, interprets, and examines* why and how the course product(s) provide evidence of the ASTL principles addressed in that learning module. Here you should also discuss the impact of this course/learning module on your teaching practice *and* its impact on P-12 student learning.

GRADING SCALE

| 95-100=A | 90-94=A- | 86-89=B+ | 83-85=B | 80-82=B- | 70-79=C | Below 70=F |

TK20 PERFORMANCE BASED ASSESSMENT SUBMISSION REQUIREMENT

Every student registered for any Advanced Studies in Teaching and Learning course with a required performance-based assessment is required to submit this assessment to Tk20 through Blackboard (regardless of whether the student is taking the course as an elective, a onetime course, or as part of an undergraduate minor). Evaluation of the performance-based assessment by the course instructor will also be completed in Tk20 through Blackboard. Failure to submit the assessment to Tk20 (through Blackboard) will result in the course instructor reporting the course grade as Incomplete (IN). Unless the IN grade is changed upon completion of the required Tk20 submission, the IN will convert to an F nine weeks into the following semester. The required performance-based assessment for EDUC 615 is the Equity Study: Equity Audit, Policy Brief, and Action Plan.

EQUITY STUDY DESCRIPTION: EQUITY AUDIT, POLICY BRIEF, AND ACTION PLAN **(EDUC 615 Performance Based Assessment)**

Teacher leaders effect change within their sphere of influence. To do this, teacher leaders need to actively inform themselves about their local context and the opportunities and outcomes related to students within that context. They need engage in praxis- the process of critical reflection and action. To become an informed and critical teacher leader, you will complete an audit of your school. This audit will focus on indicators of equity for various groups of students in your school. After collecting and analyzing the audit data, you will pick one piece of the data that you find the most compelling. This data will be the foundation for a policy brief that synthesizes policy and literature related to the data selected. The policy brief will then be used to create a plan of action for changing something within your school (within your sphere of influence) that will lead to improvement in a related area.

Steps

1. Conduct an Equity Audit.
 - This is located on Blackboard and at the end of this document.
2. Analyze and interpret your audit data.
 - What does the data in each category show and what does it mean?
3. Select a piece of the data that you find the most compelling. Graphically depict this data.
4. Write a 2-3 page policy brief regarding the selected data.
 - Conduct a literature and data (regional, national, global) search.
 - The brief will contain the following sections, all drawn from your literature and data search, as well as class readings:
 - a. Why this data matters broadly (beyond your local context),
 - b. What others are doing in schools related to similar data, including the historical and current initiatives in place to address the data
5. Create an action plan.
 - Using the policy brief you've written, create an action plan that you will use to effect change in your local setting. Include the following sections:
 - a. Describe what is currently happening in your context. Why is it a problem?
 - b. Describe what you want to improve (what will it look like when it's improved?)
 - c. Detail what you will do, why (it should be clear that your policy brief has informed your actions), and how. This should include:
 - i. Specific steps and a corresponding timeline.
 - ii. The resources and permissions needed
 - a. Resources: human, material, from yourself
 - iii. Anticipated obstacles to implementation and proposed solutions to overcoming them
6. Write a 1 page reflective narrative regarding the process. Use course readings to support your reflection. Explore and respond to the following:
 - What did you learn through this process?
 - How do you consider your role and responsibility as a teacher? Has this been affected at all by this process?
 - What are your next steps in your development as a teacher leader?

Note: You will share your data and action plans with your class peers.
